Sir,

I the undersigned beg most respectfully to bring the following few lines to the benign Government for kind consideration and favour of orders in continuation of my previous application already submitted on or about the 9th October 1944

I joined service in 1917 as Assistant Sanitary Inspector and within six months thereafter I was promoted as Sanitary Inspector on the merit of my sincere and hard work I continued as such till September 1938 drawing my increments annualy without fail in the grade of 35-2-55-4-87 drawing Rs 83/- and worked in the municipalities of Seringapatam Town, Bangalore and Mysore cities to the best satisfaction of my superior officers and to the public and would have reached the maximum in November 1938 In view of my honest and strenuous work in the above municipalities and on account of the appreciation of the same by my superior officers, as a special case the Government was pleased to appoint me as a Chief Officer in September 1938 fixing me on Rs 84/- in the grade of 80-4-100 Even if I had continued as a Sanitary Inspector I should have got Rs 87/- in November of the same year i e , 1938

I worked as a Chief Officer at the Town Municipal Council, Seringapatam for about 3½ years and earned appreciation of the Municipal Council, Seringapatam In appreciation of my services rendered to the Municipality generally and the interest I evinced specially during His Excellency The Viceroy's Visit to Seringapatam, the Municipal Council, Seringapatam unanimously passed a resolution that my pay should be enhanced to Rs 100/- in the grade

of Rs 100-5-125 and recommended my case to the higher authorities A copy of the same had already been enclosed in my previous application To my misfortune nothing was done

Meanwhile I was transferred to Bangalore District as an Assessing Officer on transit to Chickballapur as a Chief Officer I obeyed the orders of the Government and worked for about 2 years in different municipalities and have earned appreciation in Municipalities, a copy of which is herein enclosed As soon as I reached the maximum in the grade in 1942, I appealed to the Government that I should at least be promoted to the 1st grade To my disappointment I was not given the grade but three of my juniors who had not ever reached the maximum in the II Grade were promoted to the 1st Grade I put in my representation again bringing home to the benign Government that the injustice has done to me and requested that I should be given the I Grade The Government was pleased to give me on 1st October 1943 the 1st Grade i e, 100-5-125 I had reached Rs 100/- on the 26th September 1942 and when I was promoted to the 1st grade in 1943 November, I requested the benign Government to allow me to draw Rs 105/- on the I Grade and thus giving me the benefit of the 1st increment at least at the start itself The Government did not accord sanction to the same I once again appeal to the Government to reconsider my case in view of the peculiar circumstances and and the hard good work turned out in this Municipality both towards the collection of Mohatarfa, Octroi and Toll and increasing the municipal revenue in all directions and permit me to draw the maximum of Rs 125/- from September 1943 At present I am drawing 105/ & 110/- will be drawn from March It is not out of place to bring to the kind notice of the benign Government that I have put in a long service of 28½ years and now I have few years for my retirement For which act of kindness I shall ever be grateful to you all and to the benign Government

Respected Sir,

In obedience to letter No L.6686 dated 12-1-46 from the Secretary to Government, Revenue Department, may I take the liberty to submit the following few lines for favour of kind recommendation with the hopes that they will meet with success?

I joined service in 1917 and worked in different capacities in the Municipalities and Taluq boards etc, to the best of my ability and entire satisfaction of my superiors all these twenty nine years

I have earned my increments regularly after putting hard and approved service but in some circumstances due to transfers etc, I was so unfortunate as not to get increments in time For instance I was transferred from Seringapatam Town Municipality to Bangalore City Municipality from a permanent graded appointment to a temporary fixed pay of Rs 55/- at a time when I was drawing Rs 53/- and I would have got Rs 55/- at Seringapatam alone within 2 or 3 months of my transfer order On my representation to the Council to draw two advance increments plus Rupee one the Council recommended by way of a resolution on 19-11-1929 to permit me to draw two advance increments plus Rupee one in that grade But unfortunately I was permitted only to draw Rs 59/- instead of Rs 62/- Thereby I lost one increment

In view of my hard, strenuous and honest work in

ir the ıuricipalties ard or account of the appreciatior of my superior officers, the berigr Goverrment was pleased to appoirt me as a Chief Officer ir September 1938 or Rs 84/- ir the grade of 80-4-100 while I was drawirg Rs 83/- ard would have drawr Rs 87/- ir the north of November 1938 alore As per M S R I ought to have beer appoirted ir a higher grade but due to some mistake about my pay as furrished from the office of the Director of Public Health I was deried what I was ertitled to Thereby I lost arother ircremert My represertatior was rot duly corsidered

Ir appreciatior of my 3½ years of servıce rerdered at Serirgapatam Muricipality gererally ard the irterest that I evirced specially durirg His Excellercy the Viceroy's visit to Serirgapatam the Iuricipal Courcil urarimously passed a resolutior that my pay should be erharced to Rs 100/- ir the grade of 100-5-125 ard recommerdatior was made to the higher authoriıes, a true copy of whıch is herein erclosed for kird perusal but rothirg was dore to my misforture This is rot out of place to brirg to your kird rotice that my predecessors ir office at Serirgapatam though they were drawirg Rs 50/- were giver Rs 100/- lump-sum ard some juriors who had rot reached the maximum of the II Grade have beer promoted to the I Grade by ~~giviry~~ being given advarce ircremerts

Agair as soor as I reached the maximum of the II Grade ir 1942, I approached the berigr Goverrment that I should at least be promoted to the I Grade ard permitted to draw my 1st ircremert from September 1943 , To my disappoirtmert I was rot giver ever this privilege but three of my juriors who had rot reached the maximum were promoted to the 1st rade Ever row persors from Reverue Departmert who are drawirg about Rs 60/- have beer promoted to the 1st grade ~~stwaiti~~ i e or Rs 100-5-125

Urder the circumstarces roted above, orce a_air I appeal to the berigr Goverrment to recorsider my case ir view of the peculiar circumstarces ard hard ard good work turred out ir this

Municipality by increasing the Revenue ~~by~~ strict, keen and careful supervision and ~~by punishment~~ detecting for the smuggling cases, in all the branches such as Octroi, Toll, Market daily collections, Mohatarfa and specially street collections which had not at all been considered and introduced previously in this Municipality which can be clearly seen on perusal of the enclosed statement The work in this Municipality has increased by leaps and bounds by the introduction of licenses for sale of Tobacco, Dangerous and offensive trades, ~~xxxx~~ public Conveyance rules and levy of professional tax etc , and the Budget Estimate for the current year has gone up to 1,52,000 rupees It is not out of place to bring none to the kind notice of the benign Government, that I have put in a long approved service of 29 years and now I have only few years for my retirement

Under the above circumstances I once more request the benign Government to reconsider my case and ~~bestow upon me~~ grant me the maximum of the grade for which act of kindness, I and my family of 12 souls will ever be grateful to you all and the benign Government True copies of recommendations are herein enclosed for kind perusal and favour of orders

With Reference to letter No. S1 665 45-46 dated 21-1-46, —
forwarded with Compliments to the Deputy Commissioner Tumkur-District for favour of kind recommendation to the Government The Official is very honest, painstaking prompt and diligent in his

Work I have found him quite
Courteous to the public and quick in
his disposals of Petitions to this office -
He is ever ready more than required interest
in his Collection work and taking lot of
trouble to safeguard the interests of the
municipality — where its finances are concerned
He is obedient and too eager to carry out
the instructions of his Superiors -
He has a very good Case for recommendation
and Consideration by the Government.
He richly deserves what he seek for — The work in the
Office has increased enormously of late and he is overworking to cope up with it.
